

RULES OF USE

Willamette Pass Resort has the right to manage the permit area in accordance with its Special Use Permit.

The ski area may enforce “Rules of Use” within the permit area and may remove persons who violate the Rules of Use. The ski area may also use private security services or security guards and/or off-duty state or local law enforcement personnel to enforce the rules of use. The ski area may also call upon state or local law enforcement agencies to enforce violations of state or local law and forest service law enforcement officers to enforce violations of federal law.

Definitions:

The terms “skiing” and “skier” will also refer to “snowboarders”, “mountain bikers”, “passengers on chairlifts”, and “passengers on gondolas”, and any other guests at the ski area who use the lifts or facilities.

The Ski Area Permit Holder will be referred to as the “ski area”.

The ski area may remove persons from the permit area for the following acts/behaviors:

- Violations of state/federal/local laws or regulations.
- Threats of violence or communications or actions likely to incite imminent violence or other imminent lawless behavior in others.
- Use of WPR improvements and facilities without a valid lift ticket or pass.
- Unauthorized resale or purchase of lift ticket/pass, or any other fraudulent use of/or alterations of ticket/pass.
- Actions likely to cause harm to self or others such as violation of closed areas, reckless/hazardous behavior on the slopes, including but not limited to reckless jumping, out-of-control skiing or boarding, impeding downhill traffic, excessive speed in designated slow areas, unauthorized construction of jumps or obstacles.
- Sledding or tubing in unauthorized areas.
- Unauthorized public use of snowmobiles or other motorized vehicles inside the permit area boundary.
- Unauthorized removal, destruction, defacing or relocating of any signs, barricades, rope lines, cones, or other warning or marking devices.

- Reckless or hazardous behavior on lifts that may endanger self or others such as jumping from lift, deliberate excessive swinging of chairs, climbing towers or in any way interfering with the safe operation of the equipment.
- Any conduct that interferes with the safe administration of avalanche control, including any failure to respect avalanche closures or posted hazards.
- Unauthorized overnight parking or camping.
- Use of any unapproved/unauthorized equipment or downhill devices at the ski area.

NOTICES

Access to Forest Service Trails

Forest Service trails designated with blue diamonds within the permit area may be used free of any charge at any time.

Access to Alpine Terrain

All guests must have a valid lift ticket or pass to be on the alpine terrain. Alpine gear is required, to only include: Skis, Snowboards, Telemark or adaptive. Only downhill traffic is allowed on alpine terrain.

Access to Nordic Terrain

All guests must have a valid ticket or pass to be on the Nordic terrain. Nordic gear, to include snowshoes, is allowed.

Lift Lubrication

Our lifts are regularly maintained for your safety. Weather conditions can cause grease to fall onto clothing. The lubrication component is an inherent risk of skiing. Oregon revised statute 30.970. Willamette Pass Resort will not be held accountable.

Drug and Alcohol Policy

OLCC regulation (845-06-050) prohibits anyone from bringing alcoholic beverages onto this ski area. The use of illegal substances is prohibited. Anyone caught using them will be removed from this facility and the proper authorities will be notified.

Smoke Free Environment

For the safety and comfort of all guests Willamette Pass Resort strives to be, and provide for, a Smoke Free environment. Guests are asked to refrain from smoking throughout the resort. The appropriate location for individuals to smoke is within personal vehicles located in the designated parking lots only.

Developed Recreation Site

Willamette Pass Resort is a developed recreation site operating under a special use permit through the U. S. Forest Service on the Willamette and Deschutes National Forest lands. User fees are charged.
